GOWELL WINS THE DERBY

IS FIRST FILLY TO SCORE IN FAMOUS LATONIA FIXTURE SINCE 1888.

Biggest Crowd in Latonia's History Sees Gowell Beat Great Britain and Foundation, Only Other Starters, with Marvelous Ease.

Cincinnati, O., June 14.—For the first time in twenty-five years and the second time in the history of the Latonia Derby a filly was today returned winner of that coveted fixture when Gowell scored in easy fashion over Great Britain and Foundation. Twenty-five years ago Los Angeles succeeded in winning the race, but not in the convincing fashion that Gowell did today, for the former figured in a dead heat with White and beat him in the run-off. In Gowell's case there never was a question as to her superiority over Great Britain and Foundation after haif of the mile and a half journey had been traversed. At this point, Teahan, her rider, "felt her out" and she overtook Great Britain, the leader, in a flash and, after running level with him for the next furlong, drew out decisively and won by ten lengths, eased almost to a waik. Thirty lengths behind Great Britain came the season's disappointment, Foundation. The latter began as if he would be a serious factor, but after going half a mile he began to show symptoms of distress. Gowell's victory was popular, judging by the great ovation she got on her return to the judge's stand. She was the betting favorite. The smart set were mainly instrumental in installing her in the position of honor. They argued, and probably correctly, that Great Britain's preparation was not one to properly fit him to go the true Derby course. That trainer Walters indulged him to some extent there can be no doubt, but it was a matter of necessity at that, for the celt has been slightly alling with a coid of late and as a matter of course there had to be a let-up in his training. Trainer Walters figured that the colt was good enough to win anyway and he was considerably disappointed over his poor slowing. Foundation must be put down as hopeless. He can probably outwork any horse in training, but when it comes to the real test he is decidedly wanting.

showing. Foundation must be put down as hopeless. He can probably outwork any horse in training, but when it comes to the real test he is decidedly wanting.

The crowd in attendance today was adjudged to be the largest that has ever witnessed the running of a Latonia Derby. They began to come early and every available vantage point in the grandstand was occupied long before the running of the opening race. The lawns from the extreme end of the clubhouse to the farthest point of the paddock were a seething mass of humanity, while directly opposite the grandstand, in the infield, another immense crowd found accommodations. Most of the latter had come by automobile and their presence in the field was due to the fact that the space directly opposite the grandstand was given over for parking, to relieve the congestion elsewhere. Fully one thousand automobiles were utilized as conveyances to the track.

Everywhere there was a riot of color. The clear sky and the warm weather enabled the feminine spectators to array themselves in their best. The clubhouse contingent came early and several luncheon parties were given. In the betting ring there was a jam. The thirty-one mutuel machines, including the relief mutuel stand used exclusively for Derby bettors, were inadequate to accommodate the heavy speculation. In this respect it exceeded by several thousand dollars the record established last Derby day at Latonia and was only surpassed once at Louisville this season, on Derby day.

The great crowd took keen interest in the racing this afternoon and showed their appreciation of the good sport by prolonged cheering, each winner being greeted vociferously.

The best contest of the afternoon resulted from the mile and a sixteenth handicap that closed the day's sport, Flora Fina, Benanet and Samuel R. Meyer finished heads apart after one of the most stirring drives ever witnessed here.

The one marring incident of the afternoon came in the fifth race, when Sonada, at odds-on, was practically left at the post. He raced after his company in a manner that would lead to the conclusion that he was by far the best. Some were inclined to blame Teahan, but the starter exonerated the boy and attributed his being left to the horse's own bad behavior. After White Wool had won the purse in the second race, E. T. Colton, who has been a persistent bidder on selling race winners, raised the horse's entered price of \$700 to \$1,105, at which figure he was retained. Adair & Baker then claimed Chinook, the runner-up, for \$1,175.

Prominent turf devotees from all sections of the country were among the visitors this afternoon and all expressed their pleasure over the healthy conditions prevailing here. "Fair Latonia" did justice to the cognomen, for the plant and its surroundings never looked better. The delegations from Lexington and Louisville were especially numerous. Almost every person of prominence identified with racing fourneyed from Lexington. They came by special train and among the visitors from the heart of the blue grass region were T. H. Talbott and Col. Milton Young, members of the Kentucky State Racing Commission; J. Pelham Johnston, secretary of the commission; Garrett D. Wilson, O. D. Chenault, R. W. Baker, Col. Jack Chinn and George Stoll. Almong the Louisville delegation were George J. Long and Charles F. Grainger, members of the Kentucky State Racing Commission; Matt J. Winn, general manager of the New Louisville Jockey Club; Gen. W. B. Haldeman and Robert W. Brown, well-known publishers; Harry Goodwin, John F. Kline and a host of others.

and he was immensely pleased with the conditions prevailing.

General Manager John Hachmeister stated that this was the greatest attendance in the history of the Latonia Jockey Club and that all former records for crowds at the course had been surpassed. He was immensely pleased with the generous patronage and elated that no overt incident occurred during the afternoon to mar in any way the sport or cause annoyance to the big throng. The railroads did their best and handled the record gathering in splendid style. The surface lines put on 125 cars that were operated on a minute schedule from Cincinnati and all tributary lines also were routed to the race track.

all tributary lines also were routed to the race track.

Kinzie Stone, the well-known breeder of Georgetown, Ky., was among the visitors. Mr. Stone bred out Wells and The Commoner, respective sires of Gowell and Great Britain, winner and runner-up in the Lationia Derby.

Jockey Kirschbaum will do the riding for the Jefferson Livingston stable during the remainder of the season and his engagements will be looked after by Mose Goldblatt.

George M. Hendrie, who came here to see Great Britain race in the Derby, was not seriously disappointed over his colt's failure. He, like a number of other good judges, attributed the colt's defeat to the fact that he was lacking in condition to 90 a mile and a half. "The colt has been off, suffering from a police to suspend from a cold recently," said Mr. Hendrie, and rainer Walters was necessarily forced to suspend the colt's preparation for the Derby, I don't want vieiled \$25.70 for \$2.

OTTAWA OPENING A BRILLIANT AFFAIR.

Officialdom and Society Set Their Approval Upon Racing at Canadian Capital.

Racing at Canadian Capital.

Ottawa, Ont., June 14.—The opening of the new Connaught Park race course here this afternoon was made an important occasion by the participation of a great throng of Dominion government ofheials and society folk in general. Gathered in the section set apart for club members and their friends were the flower of the Dominion's most exclusive social set. The beautirul lawns and grounds were paraded by landsomely gowned women and correctly dressed men. It was a brilliant opening and augured muen for the welfare of the sport in Canada. Sr Wilfred Laurier and party were among those who occupied one of the boxes in the members' stand and in the absence of H. R. H., the Duke of Connaught, Chief Justice Sir Charles Flizpatrick opened the meeting.

The track was in good condition, as the time made in the different events indicates. Spirited racing was seen and a majority of the races furnished close finishes. There were only three starters in the President's Plate and two of them. Airey and Bawana Tumbo, were compled in the betting. Edda had a slight call over the others and was the medium of heavy specunation by the big operators. In the early running Edda and Bwana Tumbo set the pace, with Airey a distant trailer. In entering the homestretch Afrey noved up on the inside and got up to win by a neek from Edda, waich beat Bwana Tumbo a nose for second piace. Mrs. Hal B. MeGiverin made the presentation of a handsome silver cup to Capt. W. F. Presgrave, who received it for Airey's owner, Thomas Clyde.

Rosemary, winner of the third race, was bid up \$300 over her entered selling price of \$300 by J. Mellmarray, but was retained by her owner. After Billy Collins was beaten in the sixth race there was a rush for the secretary's office by the haltermen. Seven claims were put in for the brother to Nealon and W. B. Carson, who drew number five, secured the colt. The other horsemen who filed claims were W. Shelds, J. C. Gallaher, Sam Louis, D. Dreyer, J. W. Burttschell and W. S. (Kansas) Price.

At the conclusion of the afternoon's sport the stewards handed out a ruling which brought suspension to jockey Small for a suspicious ride on Upright in the fifth race.

TO CURTAIL FALL RACING IN KENTUCKY.

Cincinnati, O., June 14.—Matt J. Winn, representing Churchill Downs, Messrs. Wilson, Baker and Chenault, representing the Lexington track, and Harvey Meyers, Louis A. Cella and John Hachmeister, representing Douglas Park and Latonia, held a conference at the Latonia clubhouse before the racing today and reached an amicable understanding in the matter of fall dates. It was decided to curtail the season next fall and there will be only forty-eight days of racing at the four tracks. The exact date for starting and the number of days each association is to race, were not disclosed by any of the track representatives, as they did not want to anticipate the action of the Kentneky State Racing Commission. It is generally believed, though, that Lexington will start the season on September 11, and race nine days, that Churchill Downs and Douglas Park will divide twenty-one racing days and that Latonia will use eighteen days. The dates were immediately submitted to members of the racing commission, who held an informal meeting in the stewards' stand just before the running of the Derby. They did not announce the granting of the dates, as it was their desire that J. N. Camden, who was absent, should concur. It is not thought that Mr. Camden will oppose the dates asked for by the various associations and they probably will be formally ratified next week. The only other matter discussed by the members of the commission, according to Secretary Johnston, was in regard to a design for the gold cup that the commission will contribute to the Kentucky Endurance Stakes. Messrs. Young and Camden were appointed a committee to pass upon the design.

Jockey J. Reed has returned from abroad and plans to ride in the east.

Starter James Milton has only Huda's Brother and Cliff Maid on his schooling list at Belmon

Archie Zimmer has arrived at Gravesend with Caugh Hill and other horses that he raced in Ken-tucky.

Frank Hudson has been gelded. With Republican he will be turned out at William Hogan's farm near Westbury, L. I., until fall.

Capt. W. F. Forsee will be in charge of the policing of the Vancouver, B. C., track, during the sixty-seven-days' meeting scheduled to open at Minoru Park June 28.

The death is reported of John Thompson, a well known Irish jockey. He headed the list of winning jockeys in Ireland for several years and rode Berrill to victory in the Cambridgeshire Handicap of 1900. Thompson received a severe concussion about two weeks ago while schooling a horse over hurdles and never recovered consciousness. He was thirty-four years of age.

GOOD HORSES FOR WINDSOR.

Detroit, Mich, June 14.—While there has been no increase in the number of entries for the Windsor Jockey Clulb stakes this year as compared with last season, the quality is infinitely better. Nominations to the Frontier Handicap, the racing piece de resistance of the meeting, July 16-23, have hovered wround the forty mark for the last few years. This year the horses entered in this important fixture total 39 and it is safe to say that no better group of handicap horses will be found in any stake on the Canadian circuit, nor any other racing circuit in the country, for that matter. The list embraces such well known winners as Hawthorn, Lovetie, Buckhorn, John Furlong, Froglegs, Leochares, Edda, Horron, Kleburne, Yorkshire Boy, Lahore, Buskin, Great Britain, High Private, Donerall, Heresy, Milton 3, Paton, Flabbergast, Lochiel, Flora Fina, The Rump, Hamilton, Calgary, First Sight, Liberty Hall, Reciprocity, Jenny Geddes and Chuckles.

It would be almost impossible to select a racing field from this list that would fail to provide keen contention under the present plan of handicapping. The value of the Frontier has been increased from \$3,900 to \$3,500 and this raise may have something to do with the high class of nominations made for the handicap this year. The Frontier is not the only fixture that has a greater value than was the case last season, for every stake on the Windsor Jockey Club list has been increased at least \$500. None of the stakes is worth less than \$1,500, while the minum value of the purse races is \$500. By far the greater number of the purse events and the overnight handicaps will be for \$600 or \$700. For instance, for the opening day, on which the Frontier Handicap is down for decision, there will be four purses for \$600, one for \$700 and one for \$500. By far the greater number of the purse races is \$500. Py far the greater number of the purse races is \$500. One for handicap first day, on which the Frontier Handicap is down for decision, there will be four purses for \$600, one for \$700 and one

\$10,000 in excess of the amount distributed to the horsemen during the corresponding meeting last year.

Fitty-eight of the leading two-year-olds of the country have been nominated for the Edenwold Stakes, at five furlongs, which is one of the newest of the Windsor events. The same number of nominations have been made for the D. & C., which is another event that had its initial running last season. The D. & C. is for three-year-olds, with selling clauses and at a mile. Such well known and successful plates, as Coppertown, Early Light, Busy. Spring Maid, Lewin, Bell Horse, Spohn, Superstition, Spellbound, Merry Lad, Blackford and Barnegat are among the entrants.

Secretary Parmer says he expects to house about 450 horses at Windsor during the approaching meetings. They will begin to arrive next week, at the close of the meeting in Ottawa, from which point many owners will ship direct to Windsor. Many of the stables now racing at Latonia have engaged quarters across the river and will ship there immediately at the close of the Kentucky season. The regular contingent racing at Fort Eric will come from that point on or about July 12. The improvements at the Winidsor track will be appreciated by the horsemen and by the votaries of the sport in general. The barns have been freshly painted as well as the steel stand and all that appertains. The infield never looked more beautiful than it does today with its new sod and the steeple-chase course has been made more picturesque than ever.

TRYING TO TRAP EASTERN LAYERS.

A score of private detectives employed by an anti-gambling society tried hard Thursday to secure evidence upon which to ask for warrants for a wholesale raid at Belmont Park in the near future. It was learned that the rubber shoe persons have been busy at the track for several days. They have mingled with the oral bettors, making copious notes and trying to bet eash with various well known price makers who have been carrying on business in a strictly private manner.

minged with the tash with various well known price makers who have been carrying on business in a strictly private manner.

It is said that the detectives have been unsuccessful so far in securing evidence of an incriminating nature, for the reason that strangers are barred in the speculation that goes on every day. Several former bookmakers have been followed about the track and have been placed under close surveillance on the way home. The detectives, according to the story told yesterday, have picked up many "pay envelopes" on which names of successful bettors are written, the envelopes being discarded after the money has been taken out. Programs with supposed odds have been found on the lawn, and other written slips, believed to cover the terms of bets have been put away for future reference.

Among those who discussed the matter the opinion was expressed that before the present meeting ends several leading speculators will be taken into custody, charged with vlolating the law. But whether sufficient evidence can be produced by the law and order society, which is back of the present investigation, is a problem which must be solved in court.—New York Sun.

OTHELLO WINS SPEED HANDICAP.

Spokane, Wash., June 14.—The Speed Handicap, five furlongs, for two-yeear-olds, was run at Alan today and Othello showed himself to be about the best juvenile in the west by racing Shadrach into submission and then standing off the rush of Little Bit, which was outpaced in the early part, but closed with a cyclonic rush. Bing took the short end of the purse.

the purse.

Manager W. W. Finn had the first week's book for the coming Vancouver, B. C., meeting distributed among the horsemen here today. The total amount to be lung up during the first week is \$19,000. There are three \$1,000 handicaps besides a \$500 handicap on other days. Mr. Finn recently gave an order to have one hundred more stalls erected so as to be able to accommodate the large number of horses that will race there.

R. S., Detroit, Mich. Ruby Hyams was backed to show May 28, but only the place and show prices of the three placed horses are furnished to news-papers, so cannot say what her show price was.

E. A. P., Pittsburgh, Pa. The information would not stand the test to which the office handicappers put it. It was impossible to prevent deception and suppression of important items, therefore the ser-vice was dropped and will not again be taken up.
